Dear Cherished Supporter,

Like every year, we begin with the promise of renewal, growth, and looking forward. Because of the generosity of our supporters, we have been able to continue to keep our facilities running and provide programs and services that inspire and empower individuals living in poverty to lift themselves and their families to economic self-sufficiency. In this report, I’m happy to share with you the many ways your investment and support have helped those in the communities we serve.

Our four Member Share Grocery Programs, which provide food and household assistance across the counties we serve, were greatly needed as food insecurity began to rise due to inflation and the cost of many goods and services increasing in 2021. We experienced an increase in households applying to receive free membership to our program and are pleased to have welcomed hundreds of new members. Our Member Share Grocery Program helped families retain a total of $13.82M as members could save as much as 70% of their monthly grocery budget, allowing them to use those savings for other critical household expenses.

We continue to see phenomenal growth and demand for our Success Training Employment Program (STEP). Education continues to be an important cornerstone. As part of Phase 1 of the program, which consists of 120 hours and 4 weeks of classroom instruction that covers workplace skill development, emotional intelligence, and job acquisition training, we were able to graduate 114 participants. As part of Phase II, 45 participants worked closely with our Workforce Specialist and gained employment through our valuable network of employer partners who are committed to hiring our graduates. Many of our participants continue with us on to Phase III, where we provide success coaching to ensure they flourish in their careers. Additionally, due to increasing demand, we held 130 workshops, helping over 400 individuals. Workshops covered topics including financial planning, nutrition, mental health, computer literacy, CPR certification, and much more. In 2021, we successfully lifted a total of 41 families UP and out of poverty to self-sufficiency.

Our Life Enrichment Centers continue to grow, we saw an increase in the number of individuals who sought assistance. We work closely with individuals to address their immediate needs and work to provide long-term support through a valuable case management model. Our Crisis Stabilization Teams helped 15,914 households with 11,870 services that included assistance with housing, education, counseling, emergency food, and much more.

We realize we could not do this important work without the dedication and support of our network of individuals, organizations, foundations, community advocates, and generous volunteers, whom we acknowledge for stepping UP to selflessly give their time, talent, and treasure.

Thank you for your unwavering commitment, support, and generosity in supporting our mission to help our neighbors in need who are motivated to transform their lives.

**DEMOGRAPHICS**
United Against Poverty has been an incredible partner! We have benefited greatly from having an office in the Partner Hall and being able to work quickly and collaboratively to serve families. We frequently bring families to the Member Share Grocery Program and to the Crisis Navigation department. Most recently we co-created a training for our volunteers and it made a tremendous impact! We can’t wait to offer it again.

- Jessie Ray, Safe Families For Children

“Every day, many of our neighbors across Central Florida struggle with daily life and health due to poverty and homelessness. This barrier to health is multifaceted and highly difficult to overcome without purposeful assistance and support. United Against Poverty’s multipronged approach to crisis support, stabilization and development can significantly impact those affected in a meaningful, powerful and long-lasting way.”

– Susan Towler  
Florida Blue Foundation

“My STEP experience was a total contrast to what my life was like up until this point. I was referred to United Against Poverty by one of their community partner organizations and I began the STEP program uncertain and unsure, not knowing what to expect, but desperately wanting something different. I was not disappointed; the experience was extraordinary! It was here that I discovered my true potential. Thanks to United Against Poverty, I am currently employed at Treasure Coast Compassionate Care, and am the highest paid member of their team.”

- Bruce Tye, STEP Graduate

“Making a difference in the world and humanity is my main passion. Volunteering is service, which is important for me because it helps me make a difference in many ways and reminds me that my battles are not as big as others. I wanted to volunteer with United Against Poverty, because of my experience and after learning about the mission of lifting individuals. At the same time, they maintain their dignity and respect with integrity, which led me to apply to work at United Against Poverty. In November 2021, I became employed as the Success Coach and Workforce Developer.”

Event Highlights

Jan 25th – 1 year Anniversary
United Against Poverty celebrated our 1st anniversary of serving the community in our new UP Center location. Our vision of utilizing the new campus to deepen our impact and expand our reach in the community has come to life thanks to your generosity.

Feb 5th – 1st in person step graduation since COVID
We were pleased to welcome back our 1st in-person STEP program. We enrolled 14 STEP participants in the 4-week Phase 1 program! We continue to enjoy success of this core program with 75% more adults graduating in 2021 than the prior year!

June 26th – 6th Annual Burgers and Brews
Hosted in downtown Vero Beach, this competition awarded the Best Burger in Indian River County! Over 2,500 of our neighbors enjoyed the fun filled afternoon consisting of live musical performances, giant board games, craft brews, and plenty of local vendors.

3rd Annual Fools Day 5K
On Saturday, March 27 runners were treated to a variety of surprises along the picturesque race course! Surprise fun zones featured chattering teeth, bubbles, and a blast of silly string! A fun time was had by all while running for a great cause!
Throughout the year, countless compassionate community members engaged with our mission in unique and meaningful ways as part of our special events. Thank you to our enthusiastic attendees, hardworking volunteers, and generous sponsors for making our 2021 events such a success!

**2021 Back to School Backpack Event:**
In July of 2021, Westbrook Service Corporation donated over 250 backpacks filled with school supplies to UP Orlando. Over 81 families with children received the tools they needed to jump start a successful school year!

**Hand UP Orlando:** During the month of October 2021, UP Orlando held our largest annual fundraiser virtually generating over $282,669! We are grateful for our generous challenge gift supporters, Hand UP Heroes, and donors.

**November 19th – Hopeful Harvest**
In support of giving thanks, the IRC UP Center distributed turkeys and grocery items for traditional thanksgiving side dishes to over 375 families during the United Against Poverty’s annual Hopeful Harvest event.

**Hope for the Holidays:** The 2021 Hope for the Holidays event powered by Advent Health was held on Saturday, December 18, 2021. Thanks to our generous donors and volunteers, more than 400 children received a bag of gifts for Christmas.
